Personal statement

As a UI/UX Designer, I thrive on merging creativity with technical precision to craft seamless digital experiences. With a strong foundation in user-centric design principles and a passion for innovation, I am dedicated to developing intuitive interfaces that enhance user satisfaction and drive engagement. Equipped with a keen eye for detail and a collaborative mindset, I excel in translating complex requirements into elegant solutions that exceed expectation.

Design work experience

UI /UX Designer - Core Systems NI

June 20 to Present (Full Time)

Roles & responsibilities:

Primarily as a UI/UX Designer I work closely with the Product Owner to create user stories, high resolution screen designs, design requirements and perform product testing to rectify defects.
Follow UI standards and maintain product consistency.
Create design documents to guide the development team in achieving the overall goals and changes for the company product.

Content Marketing Manager - RFS Mortgages

Oct 19 (Part Time)

Roles & responsibilities:

To expand the company's digital footprint and brand awareness.
To take full responsibility of the companies digital marketing strategies including use of social media, email campaigns, blogs, SEO etc. to increase digital lead generation.
Responding promptly to customer enquiries in person or via telephone & email.
Working to tight deadlines.

Freelance Designer - Courtney Robinson Designs

Sept 17 to Present (Part Time)

Roles & responsibilities:

Responding promptly to customer enquiries in person or via telephone & email.
Create visuals based on customer requests (print or digital).
Strong use of Adobe Creative Suite and Figma Software.
Daily reports on the status of pending work.
An ability to communicate design ideas clearly.
Working to tight deadlines.
